

With the recent launch of single session ticket sales, we have now entered the final Sprint to the Event for the 2020 U.S. Figure Skating Championships! Read on for the latest news on U.S. Championships preparations.

Single Session Tickets Launch

Sales of single session tickets to the 17 sessions of the 2020 U.S. Figure Skating Championships opened to the public at 10am on Friday, September 20. Sales are continuing apace after a strong opening weekend. Tickets start as low as \$5 and across the board ticket prices are lower than prior years.

The earlier you purchase your tickets the better the opportunity to get the best possible seats, so we strongly encourage you to make your choice and snag your seats for this premier national championship event sooner, rather than later. Keep in mind that both All-Event (includes every competition event and the Skating Spectacular) and Championship Weekend (six events including Sessions 12 – 17) Ticket Packages are still available, and ticket packages provide the best per-session price options.

The complete schedule can be found below. To review and/or purchase tickets now, click [here](#)

17 7:30p	Skating Spectacular

Volunteering for the Championships

The question that gets asked just slightly less than "Where do I buy my USFSC 2020 tickets?" is "How do I volunteer for the U.S. Championships?" We thank everyone for their interest in helping host the big event. Towards that end, here is what you need to know:

- The process has changed this year, with U.S. Figure Skating requiring every volunteer for the 2020 U.S. Figure Skating Championships to sign up for volunteer positions through U.S. Figure Skating's online system.
- The USFS Volunteer System for 2020 USFSC is available to both USFS members AND USFS non-members.

- If you are a USFS member, you'll be able to use your member log-in info to access the system.
- If you are a non-member, you will need to create an account and then you will be able to access the system
- We have now posted instructions from USFS for both member and non-member sign-in on our ncskate2020.com website
- To access these instructions and to indicate your volunteer interests, go to ncskate2020.com, click on the Event Info tab, and then on Volunteer Information sub-tab; OR click [here](#).
- Please note that you will not yet be able to sign up for shifts, as the shifts for the Championships have not yet been created within the system. We are currently projecting that shifts will be input into the system within the next week and you will be able to sign up for shifts by the end of next week (Friday, October 11). We will send out an email at that time to all those registered in the USFS 2020 Championships Volunteer System, letting you know that shifts are now available on the system for sign-up.
- Please also note that all volunteer applicants must be approved through the system by USFS and the Local Organizing Committee, before being eligible to serve as a volunteer for USFSC 2020.

As always, if you have questions or comments about the process, please contact us at info@ncskate2020.com or 919.678.1651.

2020 USFSC Social Media

The 2020 Championships are promoted daily on Twitter, Facebook, and Instagram. We encourage you to follow us on one, two, or all three social media channels for the latest from both the 2020 U.S. Championships and the world of figure skating.
